- POLYAMIDE(NYLON) 21%

GAUGE

- 18G-1P

TYPE OF YARN

- DEKNIT (UNKNITTED)

COLOR STOCKS

- STOCK IN 2 COLORS
- ORIGINAL COLOR MINIMUM ORDER 3KG

DESCRIPTION

Super fine wool yarn treated with deknit finishing. Deknit is a unique Japanese technique; it requires yarn to be dyed and heatset as a fabric to maintain its wavy structure. When knitted, it forms an intricate Shijira style textile. Aside from its beautiful expression, it is resilient and wrinkle-resisting.
