## DESCRIPTION

PISA is a organiccotton slub yarn which is coated with natural Asian plant, Konnyaku gelatine.

This coating is eco- friendly imitation linen finish (GIMA processing).

It prevents flaking compared with normal one, and fuzz-resistan.

PISA is a single twist yarn and it is available for both S and Z twist.

\*Please specify S or Z twist when ordering.

\*Please note that for dark colors, wet rubbing fastness may be low grade, and improvement might not be possible. Please test before the production.
