- ALL COLOR STOCK SERVICE

DESCRIPTION

QUARTET is made by coating fine-count organic cotton in a tape-like shape with a Konnyaku-based adhesive (eco-friendly treatment). The natural finish that is environment friendly. The fabric has minimal drape, giving it a lightweight feel, and by adjusting the gauge and knitting method, a variety of knit textures can be achieved.

【Konnyaku Treatment precautions】

This is an eco gima dyed yarn. Due to the nature of the treatment, colors may appear differently when washed.

- Texture of this yarn may vary depending on the color and lot
- For stiff yarns or difficulty in knitting, waxing or knitting at a reduced speed is recommended
- Use water below 40°C and dry with low-temperature drying below 60°C (within 30 minutes)

- Powder shedding may occur
- If soaked in water over 40°C or ironed while wet, the coating may be removed
- For dark colors, friction and damp conditions will cause discoloration

WASHING INSTRUCTION
