- 3G-1P

## TYPE OF YARN

- TWEED YARN

## COLOR STOCKS

- ALL COLOR STOCK SERVICE
- OWN COLOR UNAVAILABLE

## DESCRIPTION

SABRICH TWEED is a blend of cashmere and even more luxurious sable.

Sable is light and has a warming effect because it is finer than cashmere.

We made the material with a nep, which gives a natural tweed-like feeling.

SABRICH TWEED is suitable for low gauge knits and has a rich expressiveness.

## WASHING INSTRUCTION
