- POLYAMIDE(NYLON) 30%

## GAUGE

- 16G-2P

## TYPE OF YARN

- STRAIGHT

## COLOR STOCKS

- ALL COLOR STOCK SERVICE
- OWN COLOR MINIMUM:3KG

## DESCRIPTION

It is a stretch yarn made of fine count wool. Super100's (18.5 micron) of non-shrink wool is used with woolly nylon. Though the stretching power of woolly nylon is not strong compared to others, WOOL CHRONOS has a cool and breathable feeling and the knitted fabric stretches back impressively owing to the use of fine count wool. It is the best material for thin and elegant knitwears in Fall and Winter.

## WASHING INSTRUCTION
